

We are happy to be able to assist with your fundraising efforts. The prices are as listed and include GST, we do not set a selling price for you. We encourage you to on sell for as much as you can, the supporters are buying the product to support you, so the price does not need to be reflective of a supermarket price!

Please know you must book in a date with the office and have it confirmed to you, we only run one Fundraiser a week because of capacity.

Generally, we will deliver on a Thursday at your time of choice. If your fundraiser is outside of Dunedin please contact us for delivery options and prices.

Please phone us on (03)4776184 or email cottagebakehouse@gmail.com
